February (1/1/7- 1/31/7), March (2/1/7 -2/28/7) April (3/1/7 -3/31/7) monthly reports.

Dear Ms. Benitz:

Please be advised that along with the current May monthly report (4/1-4/30/7) the aforementioned reports have been amended.

In review of these reports, we have relocated some of the expenditures from Sched B to Sched H4. On the February monthly report, there were two contributions listed on Line 11 (c) which should have been unitemized receipts and reflected on 11a (ii), these have now been corrected. Additionally, there was a misentry in the data and this has increased the unitemized receipts by an additional \$40, and total receipts for Line 11 (d). On Schedule B of the April monthly report, there was a receipt listed on 3/27/7 from the Nonfederal account in the amount of \$2333.33. This was not a contribution nor a transfer from the nonfederal account to the federal account. This was inadvertently reported, it was actually a transfer from one federal account to another federal account.

At this time our committee believes to be in compliance.

Sincerely,

Oregon Republican Party
