

To Whom It May Concern:

I am filing this form in response to a letter that I received from Brian Jones, Campaign Finance Analyst. His letter was with regard to my failure to file a 24 Hour Report for the Independent Expenditures by the MCFL Political Action Committee for two candidates for Congress in November of 2010: Bill Hudak and Jeff Perry.

I confess that the failure was entirely my fault. In the 10 plus years that I have been Treasurer of the MCFL Pac I have never to my knowledge filed such a report, and I did not realize that I was required to last fall.

Brian has reviewed the requirement with me and emphasized its importance. I assure you that I will comply with the letter of the FEC regulations to the best of my ability in the future.

Sincerely Yours,
Michael J. Wiseman
