Dear Ms. Miller:

On behalf of the American Federation of State, County & Municipal Employees PEOPLE (the 'Committee'), this responds to your November 9, 2012 letter regarding the Committee's August Monthly Report for the period July 1 through July 31, 2012.

On Schedule B, Line 21b of the above-referenced report, the Committee disclosed a number of disbursements to individuals for expenses related to the 2012 Democratic National Convention. These disbursements are payments to national party convention delegates to assist in defraying the delegates' convention-related travel and subsistence costs. Payments to defray the costs of a delegate's convention travel and subsistence costs are contributions to that delegate. See 11 C.F.R. 110.14; see also Advisory Opinion 2000-38. For this reason, we are amending the above-referenced report to show those disbursements on Schedule B, Line 23 and to clarify that the disbursements are delegate contributions.

Please let us know if you require any additional information.
