Reference: 12-Day Pre-Primary Report (4/01/00-5/24/00)
Identification Number: C00001305

Dear Scott:

Enclosed are amended copies of Pages 3 through 19 Schedule A) of the above referenced report. All occupation and employers that we have been able to obtain are entered. I have enclosed copies of the letters we mailed to the other persons requesting the same information. At this point we have had no response.

Our normal procedure is to telephone those persons who fail to provide us with occupation and employer info whenever possible. If we are unable to call, or receive no response, we then write a backup letter requesting the information. We include a business reply envelope with each letter.

Our schedule has been amended and all EVENT YEAR-TO-DATE calculations have been corrected

With regard to the credit card company's payments, we do not have credit cards with American Express, Discover, Master Card. The disbursements that were noted were actually the credit card companies discount fees charged to us for processing our credit card contributions. The companies actually deduct the discount amount from our checking account. Therefore, they were reported as disbursements on our report.
