CONVERGYS CORPORATION - PUBLIC RELATIONS

August 07, 2002

TO: Federal Elections Commission

FROM: Tricia C. Conrad

SUBJECT: Convergys Corporation Political Action Committee

July 15, 2002 quarterly filing

Identification Number - C00350108

This is in response to the Western-Union Mailgram notification from the FEC dated August 2, 2002 sent to the Convergys Corporation Political Action Committee ('CVG PAC'), concerning the July 15 Quarterly Filing. This is to confirm that the CVG PAC sent its July 15, 2002 Quarterly Filing to the FEC by FedEx on July 10, 2002. We have confirmed with FedEx that the Quarterly Filing was delivered to the FEC on July 11, 2002 and signed for by 'S. Howser.'

Included with this memorandum, sent to the FEC by FedEx, was a copy of the materials we previously sent to the FEC on July 10, 2002, including a copy of the e-mail that FedEx sent to the CVG PAC confirming the original delivery to the FEC on July 11, 2002.

Additionally, I included a copy of the summary page as well as another copy of the FEC file on disk. Please note that this is the second disk sent in for this filing. Per my discussion with Antionette Kitchen on July 7, this serves as a resubmission of our FEC July 15, 2002 filing.

However, since we believe that the CVG PAC timely filed its Quarterly Filing with the FEC on July 11, 2002, as evidenced by the FedEx receipt, we sincerely hope that the FEC concludes that the CVG PAC did not violate any rule or regulation concerning the filing of its Quarterly Report and that no fines will be assessed against the CVG PAC.

Please contact me to confirm delivery @ 513-723-8980 as well as to discuss further details if needed.

Thank you.
