Federal Election Commission
Washington DC 20463
Attention: Mr. Kevin Fortkiewicz

Dear Mr. Fortkiewicz:

We are in receipt of your letter dated June 10, 2014 regarding our May monthly report (04/01/2014 - 04/30/2014)in which you questioned receipts from nine unregistered political committees.

We deposited and reported those contributions received as federal funds because Wyoming State election laws governing contributions to a political campaign committee are much more restrictive than federal election laws to include no contributions from corporations or foreign nationals and personal limits to candidate committees not to exceed \$1000.

These organizations contributing to our federal account had more than sufficient funds that would meet the limitations and prohibitions of the Bipartisan Campaign Reform Act.

For these reasons, we believe the contributions received are properly accounted for and properly reported.

Sincerely,

Mr. Doug Chamberlain
Treasurer
