IDENTIFICATION NUMBER: C00041269

REFERENCE: YEAR-END REPORT (11/23/2010 - 12/31/2010)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- The Detailed Summary Page, on Line 18(b) Column A of your Amended 12 Day Pre-General (10/1/10-10/13/10), received 1/31/11, Amended 30 Day Post-General (10/14/10-11/22/10), received 1/31/11, and Year End (11/23/10-12/31/10) Reports combined, disclose \$179,731.07 in transfers from the non-federal or Levin account for allocated Federal Election Activity for the reporting period. However, Line 30 (a)(ii) Column A discloses \$145,351.16 as the Levin share for allocated Federal Election Activity for the reporting period. While the non-federal or Levin account is permitted to transfer funds to the federal account for allocated Federal Election Activity, transfers must be made within a 70-day time period: no more than 10 days before and no more than 60 days after the payment to the vendor. 11 CFR §300.33(d)(2) Please clarify the nature of the transfers-in from the non-federal or Levin account.

The Commission recommends that you immediately transfer back to the non-federal or Levin account, the total excessive amount which was received by your federal account outside the 70-day time period. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an

enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
