Dear Ms. Lewis:

This letter is in response to your request for additional information, dated April 21, 2010.

1. The \$4000 payment to the Committee's connected organization was a reimbursement for the use of a box at a sporting venue for the purpose of holding a fundraising event for a candidate for federal office. The connected organization was required to incur the initial cost based on its relationship with the venue. Although the event was held on September 29, 2009, the Committee paid the connected organization as soon as the actual cost was available. The Year End Report has been amended to further clarify the purpose of the payment.

2. The Year End Report has been amended to correct the ending cash on hand. As was noted on the report at the time of filing, the negative cash on hand was a result of incomplete payroll deduction information from a prior period. All affected reports have been amended and the cash on hand is now accurate.

Sincerely,

William J. Mines
Treasurer
