REFERENCE: YEAR-END REPORT (07/01/2011 - 12/31/2011)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

1. Schedule A and B supporting Lines 17 and 29 of your report discloses \$19,136 in activity identified as MEMO entries that do not appear to correspond with any itemized transaction(s). Please be advised, when reporting receipts and disbursements of your non-contribution account, memo text is used to add a description identifying non-contribution account receipts and disbursements. A memo entry is used to disclose additional information about an itemized transaction and the amount of a memo entry is not included in the total receipts or disbursements for the report. Please amend your report to provide clarifying information regarding this activity. (11 C.F.R. § 104.3(a) and (b))

- On Schedule B of your report, you have disclosed disbursements to a federal candidate committee. Commission regulations require that these itemized disbursements include the recipient's full name, complete address, date, amount, purpose, state, office sought (House, Senate, or President), and district (if applicable). Please amend your report to include the state. (11 CFR §104.3 (b)(3))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee
