This submission responds to the Commission's letter of March 28, 2005 regarding the committee's October Quarterly Report:

- 1) The committee exercises best efforts: 1) the committee requests occupation and employer at the time of solicitation and provides notice that such information is required in accordance with 11 CFR 104.7; (2) the committee makes followup oral requests for the information and will file an amended report to include additional donor information received from those efforts.
- 2) The requested descriptions have been updated. Please note that many of the donors for our committee are artisans, authors and otherwise involved in the entertainment industry. It is very common for such persons to be self employed and not affiliated with any company. Therefore, in most cases, the use of the term 'self employed' for the employer was appropriate.
- 3) Schedules B and H4 have been amended. Please note that all expenditures for 'office supplies' are for ordinary supplies such as paper, paper clips, pens and pencils, and other ordinary office supplies. Downtown for Democacy was a volunteer driven efforts where such persons paid for their own supplies and were reimbursed by the committee.
- 4) Addresses have been located have been provided.
- 5) All expenditures for 'advertising,' 'event production,' 'mailing,' 'photography,' 'printing,' 'fundraising,' 'space rental,' 'advertising production,' 'banners,' 'signs,' and 'video production' that are reported on Schedules B and H4 were not on behalf of any specific federal canddiate.
