This submission responds to the Commission's letter of March 4, 2005 regarding the committee's 2004 Year-End report

The reason that Line 16(a) exceeds Line 21(a)(ii) during the applicable periods is due to the fact that a portion of transfers made during October 2004 related back to expenditures made during September 2004.

All transfers made by the committee were in compliance with the 70-day window required by 11 CFR 106.6(e)(2).
