REFERENCE: YEAR-END REPORT (10/01/2019-12/31/2019)

Dear Mr. Dobi:

This statement is in response to the Commission's letter dated February 23, 2020 regarding one item.

The Commission's letter requests clarification on contributions from eighteen (18) contributors disclosed on the Original Report that appear to exceed federal contribution limits. As described below, all of those contributions were properly and timely redesignated or returned to a joint fundraising committee ('JFC') in which the Committee participates for proper reallocation, as will be reflected on either the Amended 2019 Year End Report being filed concurrently with this response, the Amended 2019 April Quarterly Report being filed concurrently with this response, or the Committee's upcoming April Quarterly: - Fourteen (14) of the contributors had their excessive contributions returned to the joint fundraising committee (Perdue Victory, Inc.- C00571620) from which they came, to be reallocated to other JFC participants. - Three (3) contributors' contributions were redesignated to another election. - One (1) contributor's contributions were reported with incorrect election designations due to a clerical error.

In regard to the contribution that appears to be excessive from 'Committees not Qualified for Multi-Candidate Status', we reached out to the PAC and they confirmed that they have qualified as a multicandidate committee.

Please feel free to contact us if you have any further questions.

Sincerely,  
Bradley T. Crate  
Treasurer
