Reference: Amended October Quarterly Report (7/1/04-9/30/04), received 12/15/04

Dear Ms. Senger:

This letter is in response to your request for additional information, dated February 4, 2005.

Your letter indicates that Volunteer PAC disclosed several contributions to candidates that were designated for the Primary, but were issued after the date of that candidate's primary election. Volunteer PAC has sent a letter to every candidate on the list which requests a refund of the contribution or asks for verification that the recipient committee had primary debt. Copies of these letters have been sent to the Federal Election Commission under separate cover.

Your letter also indicates that Volunteer PAC gave two committees excessive contributions to the Primary cycle. The contributions to Tom Coburn for Senate on 9/14/04 and to Duncan for Congress on 7/13/04 should have been reported as contributions to the General election. Each recipient committee reported these accurately. The October Quarterly Report has been amended to reflect these corrections.

Sincerely,

Dawn Perkerson
Treasurer
