Dear Mr. Woodfill:

On February 3, 1999, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your February 17, 1999 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

- Schedule A of your report still appears to disclose activity that falls outside the reporting period. You have also itemized contributions received through a payroll deduction plan. You should only include the amount received during this reporting period as well as the date that the contribution was deducted. Please amend this report by including only the financial transactions that occurred between October 1, 1998 and November 23, 1998. Any activity outside this reporting period should be included in the appropriate report(s).

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Andrea Wilkens on our toll-free number (800) 424-9530 or our local number (202) 694-1130.

Sincerely,

A handwritten signature in black ink, appearing to read "John D. Gibson", with a long horizontal flourish extending to the right.
