I am writing in response to your letter dated March 15, 2015 regarding the Year-End Report (11/24-14 - 12/31/14).

The \$4,956.79 transfer from Udall-Udall Leadership Fund was a final transfer that did not include any contributions to memo. The funds consisted entirely of excess funds not yet transferred from the joint fundraising committee.

I hope this adequately addresses your concerns. If you need any additional information, please do not hesitate to contact the Committee.

Sincerely,
Judith Zamore, Assistant Treasurer
