Regarding the 30 day post general, there were two contributions from IBEW COPE (\$3,000.00 on 9/17 and \$5,000 on 10/18) which was in excess of the \$5,000.00 limit. The \$3,000.00 which took us over the limit was transferred from our federal to our non federal account on 12/16/02.

I am sending a copy of the check to you today.

Thank You,
