

This letter is in response to an FEC letter inquiring about our Committee's October 2010 monthly report. In a letter dated February 2, 2011, Ms. Laura E. Sinram, Senior Campaign Financial Analyst, Reports Analysis Division, indicated that the Committee had neglected to identify the federal candidates benefitting from certain disbursements that were categorized as Federal Election Activity and were public communications. She also questioned whether these disbursements were qualified as exempt activity. We filed an amended report on February 23, 2011 that clearly identifies the federal candidates benefitting from the Committee's Federal Election Activity that were public communications. The memo text introducing the amended report also clarifies that all of the Committee's Federal Election Activity except for staff salaries and payments to political consultants qualifies as volunteer exempt activity.

Respectfully submitted,

Nadja Z Golding, Treasurer  
Fairfax County Democratic Committee
