RE: Letters dated September 14, 2007

Dear Mr. Buckley,

I am in receipt of your letters of September 14, 2007, regarding three amended reports filed as a result of your letters to the Fairfax County Democratic Committee on March 28, 2007. . Your three letters address the amended reports I filed for the periods for the July Quarterly Report (4/1/2006 to 6/30/2006), the October Quarterly Report (7/1/2006 to 9/30/2006) and the 30-Day Post General Report (10/1/2006 to 11/27/2006).

In your September 14 letters, you state that our Amended July (2006) Quarterly Report, the Amended October (2006) Quarterly Report, and the Amended 30 Day post General Election (2006) Report, contain strings of memo entries involving several thousand dollars of expenses supporting Schedule B, line 30(b) of our reports which do not correspond with itemized transactions.

My intention in filing these amended reports was to move these expenses to Schedule B supporting line 30 (b) of our report, and apparently, I have incorrectly entered the transactions to address the questions raised in your earlier letters on this subject. Another amendment to these reports will be necessary to express the true intent of what needs to appear in our reports to present an accurate picture of the committee's financial activities.

Due to a personal disability and recent corrective surgery on October 8, 2007, from which I am still recovering, I have been unable to file new amendments necessary to correct the errors committed in attempting to fix these reports with the earlier amended filings. Each of the three amended filings will be amended once more to correct for this erroneous use of FEC-File software before the end of October 2007.

I hope you find this reply responsive to your letter and I look forward to working with you to obtain an accurate statement of our financial affairs.

Sincerely,

Bruce Neilson, Treasurer
Fairfax County Democratic Committee
