To whom it may concern:

Dear sir/madam,

Please note that, candidate Erick Salgado (House of Representatives, NY District 11) did not qualify to be on the ballot for primary election and therefore will not be running in primary or general election in this election cycle.

Therefore SALGADO FOR CONGRESS authorized committee will not be raising or spending money for primary or general election.

Committee will be filing termination report shortly. Please let us know if committee still have to file pre-primary report at this time.

Thank you,
