Dear Abbie Hodgson:

Earlier this year, PlastyPAC (ID#C00249342) made a contribution to Dot Snyder for Congress that was incorrectly attributed to the primary campaign and should have been attributed to the run-off. Accordingly, we've made the appropriate reattribution. Also due to a reporting error, the April contribution to Citizens for Bunning should have been designated to the general and not the primary. Accordingly, we've made the appropriate redesignation.

Sincerely,

William F. Seward
PlastyPAC Assistant Treasurer
