IDENTIFICATION NUMBER: C00008227

REFERENCE: AMENDED SEPTEMBER MONTHLY REPORT (08/01/2014 - 08/31/2014),
RECEIVED 12/16/2014

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 12 item(s):

1. Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule B of your report to clarify the following descriptions: "Voter Registration" and "Contract labor - Voter registration." For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).
2. On Schedule B supporting Line 30(b) of the Detailed Summary Page, you have not included the full mailing address for the payment made to "Michael Einstein." Please amend your report accordingly. (11 CFR §300.36(b)(2)(iii))
3. Schedule A supporting Line 12 discloses a transfer-in from the "Republican National Committee." Schedule H4 supporting Line 21(a) reflects payments for "Signs." Please be advised that a state or local party committee may pay for campaign materials (such as bumper stickers, pins and yard signs) that are distributed by volunteers in connection with activity on behalf of the party's nominees in a general election and voter drive activity on behalf of the party's Presidential and Vice Presidential nominees. Payments for this type of activity are exempt from the definition of a contribution or expenditure if certain conditions are met. The conditions are that no public advertising may be used, including distribution by direct mail (mailings by a commercial vendor or from commercial lists); all funds used for the activity must be permitted under the

Act; none of the funds used may have been designated for a particular candidate; and finally, payments for the activity may not be made from transfers-in from the national committee to specifically fund the activity. For further guidance, please refer to 11 CFR §§100.87 and 100.147 and to the Campaign Guide for Party Committees.

Please clarify the nature of the transfer(s)-in and subsequent payments for the aforementioned disbursement(s). If the activity disclosed on your report does not meet the definition of "exempt" activity as described above, any portion of the expenditures made on behalf of specifically identified candidates must be disclosed on Schedule B, E or F supporting Line 23 or 30(b), 24 or 25 of the Detailed Summary Page as appropriate.

4. Schedule H4 supporting Line 21(a) of your report discloses payments for "Payroll Taxes," "Insurance Premiums," "Payroll," and "Health Insurance." Please be advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on Federal Election Activity (FEA) or activities in connection with a Federal election must not be allocated between or among federal and non-federal accounts. Rather, only federal funds may be used. Further, the Commission concluded in Advisory Opinion 2003-11 that amounts spent for employee-specific "fringe benefits," consisting of health insurance, disability insurance, life insurance, retirement benefits and payroll taxes, fall into the category of compensated time.

Please clarify whether this activity is for employees who spent 25% or less of their time during the month(s) referenced above on FEA or activities in connection with a Federal election. If this is not the case, any reimbursement from your committee's non-federal account for this payment is not permissible and must be returned. Although the Commission may take further legal action regarding any improper allocation activity, your prompt action will be taken into consideration.

5. Please amend your report by providing the purpose for each disbursement itemized on Schedule H4 supporting Line 21(a). (11 CFR §§104.3(a)(4) and 104.10(4))

6. Schedule H4 of your report discloses payments for "Voter registration consulting" and "Voter Registration Fees." 11 CFR §100.24(b) defines as Federal Election Activity, voter registration activity during the period beginning on the date that is 120 calendar days before the date that a regularly

scheduled Federal election is held, and ending on the date of the election. Furthermore, the costs for this type of Federal Election Activity must either be paid with federal funds or can be allocated between federal and Levin funds as long as the activity conducted does not refer to a clearly identified candidate for Federal office. It appears that you have allocated these costs between federal and non-federal funds. Any reimbursement from your committee's non-federal account for Federal Election Activity costs is not permissible and must be returned. (11 CFR §§300.32 and 300.33)

Please inform the Commission of your corrective action immediately or provide clarifying information regarding this activity. Although the Commission may take further legal action regarding this apparent prohibited activity, your prompt action will be taken into consideration.

7. Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule H4 to clarify the following descriptions: "Consulting Fees," "Professional Consulting," "Voter Registration Fees," and "Voter registration consulting." (11 CFR §§104.3(b)(3) and 104.10(a)(4))

Additional clarification regarding inadequate purposes of disbursement published in the Federal Register can be found at: http://www.fec.gov/law/policy/purposeofdisbursement/inadequate_purpose_list_3507.pdf

8. Please clarify all expenditures made for "Fundraising retainer fee" on Schedule H4. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedules B, E, or F supporting Lines 23, 24, or 25 and include the amount, name, address and office sought by each candidate. (11 CFR §§104.3(b) and 106.1)

Alternatively, if the payment(s) on Schedule H4 is associated with fundraising activity conducted for your committee's federal and non-federal accounts, it must be allocated according to the funds received method and the ratio reflected on Schedule H2. Further, it must be categorized as a fundraising activity on Schedule H4. Please provide clarifying information regarding the nature of this transaction(s) and amend your report(s) as appropriate.

9. On Schedule H4 supporting Line 21(a) of the Detailed Summary Page, you have not included the mailing address for the payment made to "Salt River

Project." Please amend your report accordingly. (11 CFR §§104.10(b)(4) and 104.17(b)(3))

10. Your calculations for Line 11 on the Schedule L Aggregation Page for the "AZ FEDERAL" account appear to be incorrect. Cash on hand at the close of the current reporting period (Column A) should always equal the closing calendar year to date (Column B) cash on hand amount. Please amend your report to disclose the corrected total(s). (52 U.S.C. §30104(b) and (e) (formerly 2 U.S.C. §434(b) and (e)))

11. Line 7, Column B of the Schedule L Aggregation Page for the "AZ FEDERAL" account represents the total cash on hand as of January 1, 2014. This figure should be the same on all the reports covering the calendar year. Please amend your report to clarify the change made in Line 7, Column B. (52 U.S.C. §30104(b) and (e) (formerly 2 U.S.C. §434(b) and (e)))

12. Schedule L discloses "AZ FEDERAL" as the name of account. Please note that 11 CFR §300.33(d) permits a committee to pay the entire amount of an allocable expense from its federal account and transfer from its non-federal or Levin account to its federal account solely to cover the Levin share of that allocable expense. As the "AZ FEDERAL" account is not a non-federal or Levin account of your committee, such a transfer(s) is prohibited.

If the transfer(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If you have received a prohibited transfer(s), you must transfer-out the impermissible funds to an account not used to influence federal elections or refund the full amount to the donor.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out or refund. In addition, any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report covering the period during which the transaction was made.

Although the Commission may take further legal action concerning the acceptance of prohibited transfers, prompt action by your committee to transfer-out or refund the amount will be taken into consideration.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due

date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
