Dear Mr. Schrag:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-The beginning cash balance of this report should equal the ending balance of your 1999 Year End Report. Please clarify this discrepancy and amend any subsequent report(s) that may be affected by this correction.

-Your report includes a computer produced format(s) of Schedules A and B which is different from the format approved by the Commission previously. Please submit a separate sample format with a cover letter requesting approval of the new format. For future filings, please use only FEC approved formats.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Sincerely,
