I received a letter stating the failure to file the April Quarterly Report. We normally file our reports semi-annually and was unaware that during an election year they are to be filed quarterly. The report was prepared immediately then and was unable to be sent electronically due to getting a new computer and having a glitch in the system that is preventing us from sending it electronically. It may take a few days before we are able to get someone to look at it, therefore I am sending it through the mail and will also file it electronically as soon as possible.

Thank you for your consideration in this matter.
