FEC MISCELLANEOUS TEXT RELATED TO A REPORT, SCHEDULE OR ITEMIZATION**Form/Schedule: F3XA****Transaction ID :**

This Committee responds to the July 25, 2016 RFAI, with response due August 29, 2016, as follows: 1. The receipts and disbursements at issue were not included in the original report due in large part to delays in obtaining transaction data that reconciled properly to committee bank accounts. As soon as this data was available, the committee amended the report to include these transactions. 2/3. Due to a processing error, a number of earmarked contributions were reported incorrectly, with some listing the wrong candidate and others being incorrectly marked as conduits in the first place. This amendment corrects these issues. 4. Most of the independent expenditures identified with dissemination dates in August were estimated amounts that were never actually spent. On the original 48-hour report, only the two Political List Brokers, LLC expenses were actually disseminated; due to a data entry error, two estimated expenses were not marked as such. Due to a processing error, the two PLB expenses were omitted from Schedule E, and a separate payment to the same vendor was over-reported; corrections to these payments have been made. With respect to the two expenditures identified with dissemination dates of 10/29/15, only one of these expenses - the one for Alliance Strategies Group, LLC - was actually made. As a result of a last-minute budget change, the other vendor, Political List Brokers, LLC, ended up paying for the ASG expense as an in-kind contribution to the Committee. This contribution was included on the amended year-end report, but the Schedule E item was omitted due to a processing error. 5. Due to a data entry error, the disbursement dates for the independent expenditures at issue were also entered as the dissemination dates. Schedule E has been amended to include the proper dissemination dates initially reported on the relevant 24/48-hour reports.
