RE: Amended 1-1-03/6-30-03 Report

The amended FEC Report for 1-1-03 through 6-30-03 which was assigned the Filing ID of FEC-106621, was sent because of the change in software which has been used in processing the FEC Reports.

Previously, we used FECFile to process the FEC Report. The original report for the 1st half of 2003. We have started using Ghossos' Keep In Touch Software. In imputing all the data for 2003, we found that Keep In Touch showed for line 11a, the total contribution for each individual who contributed 200.01 and over.

For this reason, instead of \$13,500.00 appearing on line 11a, as it did on the original report Filing ID FEC-92831, we had a total of \$ 16,800.00.

To have the reporting information co-inside for 2003 we sent the amended report for 1-1-03 through 6-30-03 which had the ID FEC-106621
