Reference: Mid-Year Report (1/1/95-6/30/95)

Dear Mr. Kidd:

On November 1, 1995 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your November 28, 1995 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Schedule B of your report discloses a contribution(s) to Representative Jack Fields for the retirement of debts incurred by the 1994 general election campaign; however, it appears that the recipient committee(s) had insufficient debts to warrant such a contribution. Please note that a committee may only designate contributions to retire a candidate's debts if those debts exist.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If you have made an excessive contribution, you should either notify the recipient and request a refund of the impermissible amount and/or notify the recipient, in writing, of your redesignation of the contribution. All refunds and redesignations must be made within sixty days of the treasurer's receipt of the contribution. Refunds are reported on Line 16 of the Detailed Summary Page and on Schedule A of the report covering the period during which they are received. Redesignations are reported as memo entries on Schedule B of the report covering the period during which the redesignation is made. 11 CFR §110.2(b)

Although the Commission may take further legal action regarding the excessive contribution(s), your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.
