Mr. Tarone--

We received your RFAI request on January 27, 2021. We have reviewed the Committee's post-general report, as well as its 24 hour reports that were filed during the post-general period. We have determined that due to a technical error, the dates reflected in the post-general report did not correlate to the 24-hour report that was timely and correctly filed. We have amended the post-general report to reflect the correct dates.

This should resolve any concerns. If you have additional questions or need further information, please let me know. I can be reached at [kreynolds@dickinson-wright.com](mailto:kreynolds@dickinson-wright.com) or 202-659-6944.
