Dear Ms. Pomeroy:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule A of your report discloses transfers totaling \$1,509 from "Good Government Without Delay," which is a joint fundraising committee(s) affiliated with your committee. Please be advised that a memo Schedule A must be provided to itemize your committee's share of the gross contributions received through the joint fundraiser(s). The memo schedule should itemize each individual who has contributed an aggregate in excess of \$200 during the calendar year, and provide the amount of unitemized contributions received. In addition, the memo schedule should itemize your committee's share of all contributions from political committees, regardless of amount. Please amend your report by providing the omitted memo schedule(s). 11 CFR §102.17(c)(8)(i)(B)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
