Dear Ms. Lewis,

In response to your letter dated May 18, 2011, the following corrections have been made:

1. Schedule H3 (FEC Form 3X) covering period October 1-13, 2010 was originally prepared incorrectly. The breakdown of the transfer received from the Non-Federal account in the amount of \$7,080.26 should have been posted in total as administrative expense. This error has been corrected by filing an amended return on June 19, 2011.
2. Transfers for shared activities were made within the 70 day time period required except for the 10/15/2010 transfer in which \$1,226.75 fell outside the specified time period. To correct this error, an electronic bank transfer totaling \$1,226.75 was made on June 19, 2011 from the Federal account back into the Non-Federal account.
3. In response to your question regarding the nature of transfers in from the Non-Federal account, it reimburses the Federal account for only allocable activity related to administrative expense.

Thank you for your time and attention in alerting me of the issues. I apologize for any inconvenience caused. Please know that I am making every effort to insure all reports are submitted timely and accurately.

Sincerely,

Edward Miller, Treasurer  
Pima County Republican Party
