RE: Committee ID Number C00034785  
Amended July Monthly Report (6/1/11 - 6/3/11), Received 11/29/11

Dear Ms. Broomhead:

This is in response to the above-referenced Request for Additional Information dated December 23, 2011, the Amended July Monthly Report (6/1/11 - 6/30/11 reporting period), received 11/29/11:

Item 1 - Beginning cash balance discrepancy

Our July 20 monthly report does not correctly reflect the ending balance of our May 20 monthly report. ACPAC is in the process of reviewing its PAC records and were in the process of reviewing records at the time we filed the July 20 monthly report. ACPAC still is reviewing this information and is correcting those discrepancies.

Item 2 - Schedule A disbursement exceeding contribution limit.

ACPAC in error over-contributed to the candidate campaign for the general election. We have notified the candidate and requested a refund of \$5,000.

Item 3 - Disclosed financial activity reflected on wrong line of the Detailed Summary Page

ACPAC has corrected the Other Federal Operating Expenditures amount to be correctly reported on line 21(b) of the Detailed Summary Page.

Thank you.

Sincerely,

Adam Peterman  
Treasurer
