CONSERVATIVE MAJORITY FUND  
APRIL QUARTERLY REPORT (01/01 - 03/31/2016)

This is in response to the Federal Election Commission's Request for Additional Information (RAI) where the Reports Analyst pointed out that the committee used VOTER CONTACT as a description on Schedule E and that is regarded as not acceptable. The committee should have used: VOTER CONTACT PHONE CALLS and will amend the report to correct these items and a couple of other issues.
