

In response to the letter dated December 20, 2006, sent by our Campaign Finance Analyst, Nisha Saspal regarding the October Quarterly Report (7/1/06-9/30/06).

In the October Quarterly Report, two disbursements were incorrectly dated. They were for recipients "People for Pete Domenici" and "Tim Johnson for South Dakota Inc." The money was given for each of their 2008 primaries, but had been recorded as "Primary 2006." The report was amended to have the correct election date of 2008. In phone conversation with Ms. Saspal, she said to fill out a Form 99 to accompany the amended report as an adequate response and close this matter.
