

Dear FEC~

Unfortunately, like the 2007 year-end filing, the 2008 first quarter filing, FEC Form 3X, will likewise be incomplete.

In both cases, we had attempted to rectify the problem of the FEC software being unable to accept certain data to enable the filing of complete and accurate Forms 3X. According to the most recent telephone consultations with the software department (with Sebene Smith), the current version, 6.1.1.3, is unable to accept and transfer information about various House contribution recipients despite our numerous efforts to input same. We were advised that the new version (6.2, available in June) will correct this problem. In the interim, we are again filing this Miscellaneous Electronic Submission, Form 99, to advise the FEC of the information which will be absent from our first quarter 2008 Form 3X. The information which is missing from our Report is regarding pages 6-30/41, Lines 11a, where Receipts are for membership dues (and occasionally for luncheons) and pages 33-41/41, Lines 23, where the missing data concerning Disbursements (to federal candidates) is set forth below in the following format: Candidate Name, Office Sought (H=House), State and District # (House Congressional Districts).

Andre Carson, H, IN, 7  
Chris Carney, H, PA, 10  
Brad Ellsworth, H, IN, 8  
Gabrielle Giffords, H, AZ, 8  
Baron Hill, H, IN, 9  
Ron Klein, H, FL, 22  
Frank Kratovil, H, MD, 1  
Gerald McNerney, H, CA, 11  
Steve Rothman, H, NJ, 9

Please also note that we spent hours trying many different ways to input this information without success. Sincerely,

Mark R. Vogel, Chairman/Treasurer
