This Form 99 is being submitted along with an amendment to the June 2015 Monthly report. The amendment is being provided to correct the record for \$2,000 received on 5/5/15 originally reported from "SCHEIDER NATIONAL INC TRANSPAC".

An RFAI received by the committee requested clarification on this contribution and the committee initially made a refund. However, this refund has been voided as it has since been determined in working with the donor that this was not a committee contribution but instead a contribution from the following individuals via a Wisconsin "conduit account":

- Shaleen Devgun \$500
- George Grossardt \$500
- Paul Kardish \$500
- Frederick Richardson \$500

The amendment correctly discloses these amounts in accordance with the guidance provided by A.O. 1996-18.
