

This Form 99 applies to the February monthly report - Contributions received January 2010.

Contributions from Bradley O'Leary and My Uyen Ngo did not have Employer and Occupation information. A form letter requesting this information was mailed on 1/13/2010 to the address on their check. The letters were returned as the forwarding order had expired. We attempted to reach these individuals a second time on 1/20/2010 by leaving a voice mail message again requesting this information. Our messages were not returned.

We believe we have made a best effort to obtain this information from these donors.

Going forward this will be our best efforts policy.
