Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 3 item(s):

1. The beginning cash balance of this report should equal the ending balance of your 2009 Year End Report (07/01/09-12/31/09). Please clarify this discrepancy and amend any subsequent report(s) that may be affected by this correction.
2. Your calculations for Line 8 appear to be incorrect. Cash-on-hand at the close of the current reporting period should always equal the closing calendar year-to-date cash-on-hand amount. Please provide the corrected total on the Summary Page.
3. Schedule B supporting Line 23 discloses a contribution to "Kendrick Meek" which is designated for the Primary election. However, you have also disclosed "U.S. Senate Florida General 2010" as the purpose of disbursement. Please amend your report to clarify the correct election designation for this contribution.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
