Dear Mr. Morse:

This is in response to your request fo additional information dated September 7, 2011 but never received by the Bluegrass Committee. The Committee discovered the letter on the FEC website on October 20, 2011.

Your letter indicates that an excessive contribution may have been made to Wicker for Senate. The contributions were sent to Wicker for Senate with the appropriate election designations, contributing \$5000 to the primary and \$5000 to the general. Wicker for Senate reported these accurately.

The Committee entered the election designation on the 3/10/11 contribution incorrectly into its software. This has been corrected to disclose that contribution as designated to the 2012 General Election and the above referenced report has been amended.

Thank you for bringing this to our attention.

Sincerely,
Lisa Lisker
