Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- On Schedule H1 of your report, you have completed information for Section A, which is reserved for state, district and local party committees. However, on your Statement of Organization, received 7/7/14, you indicate that your committee is a nonconnected committee. If your committee is responsible for the day-to-day operations of a political party, please amend your Statement of Organization to indicate the correct committee type on Line 5(d) (2 U.S.C. §431(15)). If you are a nonconnected committee, please amend your report to use Section B of Schedule H1 or provide additional information regarding this apparent discrepancy.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than
