In response to the Commission's letter dated December 17th, 2020, Denali PAC outsources its PAC administration and reporting to the outside firm of Williams & Jensen. The firm was responsible for checks that were inadvertently omitted from the initial October monthly report. The firm was not aware of the error until reconciling the October bank statements which reflected the unreported checks. The firm immediately filed an amendment disclosing the disbursements. The firm regrets the error and has implemented additional accounting procedures to ensure future compliance.
