On October 17, 2023, an unknown external party gained unauthorized access to the International Foodservice Distributors Associations (IFDA) five bank accountsone of which was IFDAs sole Political Action Committee (PAC) account. As a result, \$500 (five-hundred and 00/100 dollars) from the IFDAPAC account was transferred to another non-PAC IFDA account.

IFDAs Vice President of Finance and Administration worked with Truist Bank to identify what happened and reported the unauthorized access to the proper authorities.

In addition, on November 29, 2023, IFDA reported this activity to the Federal Election Commission (FEC) via its portal and inquired what, if any, filing(s) needed to be made to reflect this activity. Subsequently, IFDA staff spoke with FEC staff on November 30, December 1, and December 5 about what happened and what needed to be done. FEC staff advised IFDA

staff to fill out the FEC Form 99 to disclose the unauthorized transfer of funds and include it in IFDAs Q4 filing. In particular, IFDA staff was advised to disclose the transfer of funds out of the IFDAPAC account on Schedule B Line 29, and the return of funds on Schedule A Line 17. Accordingly, this activity will be reflected in IFDAs Q4 filing.

On December 19, 2023, the \$500 was returned to the IFDAPAC account.
