RE: Amended April 15, 2008 Quarterly Report Filed 5/22/2008
(FEC-341801, superseding FEC-334233)

Dear Commissioners:

On May 22, Herzog PAC amended its April 15, 2008 Quarterly Report which was originally filed in a timely manner. The amendment discloses a March 10, 2008 disbursement in the amount of \$500 that was not included in the original filing due to human error.

As referenced in a Miscellaneous Electronic Submission (Form 99) submitted this same day, previous reliance on paper records has led to human errors in recent filings. A review of my records prompted by recent correspondence from Ms. Benitz from the Reports Analysis Division revealed this error. This disbursement was mistakenly filed in my records as having occurred on April 10 as opposed to March 10, and as such it should have been reported on the April 15 report as opposed to the July 15 report.

As referenced in a separate Form 99 filed today, receipts and disbursements will henceforth be immediately entered into the FECfile software, instead of at the end of the period. Paper records will continue to be kept in accordance with 11 CFR. This remedial solution will hopefully alleviate not only the possibility of similar future errors, but avoid last minute rushes to file, and allow more prompt reporting at the end of the reporting period.

Sincerely,
Adam E. Nordstrom
Assistant Treasurer, Herzog PAC
