Identification Number: C00003111

Reference: Amended Mid-Year Report (1/1/05 – 6/30/05), received 11/4/05

Dear Mr. Roy:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule H4 supporting Line 21(a) of your report discloses a payment for "Direct Mail." Please be advised that pursuant to 11 CFR §300.33(c)(1), expenditures for public communications (as defined by 11 CFR §100.26) that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any such candidate for Federal office must not be allocated between or among federal and non-federal accounts. Only federal funds may be used.

Further, expenditures and disbursements for public communications that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any candidate for Federal office, meet the definition of Federal Election Activity under 11 CFR §100.24 and should be disclosed on Schedule B for Line 30(b) along with the identity of the candidate(s). However, public communications that meet the definition of Federal Election Activity and that also contain express advocacy as defined under 11 CFR §100.22, but do not meet the conditions of exempt activity, would constitute an in-kind contribution, an independent expenditure or a coordinated party expenditure and should be properly disclosed on a Schedule B, E or F supporting Lines 23, 24 or 25, as appropriate, rather than on Schedule B for Line 30(b). Please amend your report to properly disclose this activity or provide clarifying information.

If this activity was categorized incorrectly, the Commission recommends that you immediately transfer the funds received by your federal account for this activity back to the non-federal account. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

-Schedule H4 of your report discloses a payment for "Assist at Voting Poll - 2004." Please be advised that 11 CFR §100.24(b) defines as Federal Election Activity, Voter identification, Generic Campaign and Get-out-the vote activities conducted in connection with an election in which one or more candidates for Federal office appear on the ballot. Furthermore, the costs for these types of Federal Election Activity must either be paid with federal funds or can be allocated between federal and Levin funds as long as the activity conducted does not refer to a clearly identified candidate for Federal office. It appears that you have allocated these costs between federal and non-federal funds. Any reimbursement from your committee's non-federal account for Federal Election Activity costs is not permissible and must be returned. 11 CFR §§300.32 and 300.33

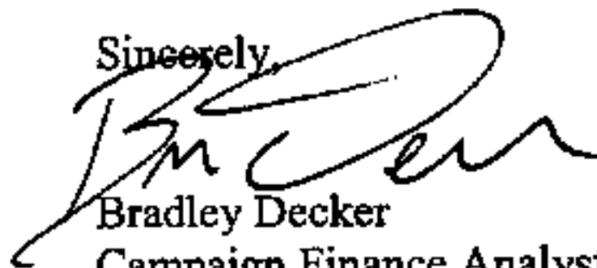

Please inform the Commission of your corrective action immediately or provide clarifying information regarding this activity. Although the Commission may take further legal action regarding this apparent prohibited activity, your prompt action will be taken into consideration.

-Schedule H4 of your report discloses payments to Feather Larson & Synhorst and Bangor Letter Shop, Inc., which are categorized as Administrative expenses; however, the purposes of disbursement disclosed are "Telemarketing" and "Printing Mailer." Please be advised that payments made for your committee's fundraising activities must be allocated according to the funds received method and the ratio reflected on Schedule H2. Please amend your report to clarify the appropriate category for this activity or provide clarifying information regarding this apparent discrepancy.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1301.

Sincerely,
