

Ref: February 29, 2008 Letter - Request for Information that "Your report was not signed by the treasurer or designated agent listed on your Statement of Organization." The Executive Committee of the Podiatry Political Action Committee held a meeting on 11/19/2007 at which time a new treasurer was elected, as well the official name of the organization was changed to the "American Podiatric Medical Association Political Action Committee" (APMAPAC). Due to an oversight the amended Statement of Organization was not filed in a timely manner, however it was filed with the FEC on 03/04/2008.
