Re:Keystone America PAC Year-End Report (07/01/19 - 12/31/19)  
FEC Identification #C00439992

Dear Mr. Henry:

This is in response to your letter dated August 2, 2020 concerning the Year-End Report of Keystone America PAC (the "Committee").

1. You have asked about a September 30, 2019 contribution to Theresa Greenfield for Iowa. The Committee's September 2019 contribution to Theresa Greenfield for Iowa was designated as a general election contribution at the time it was made but was reported as a primary election contribution due to a data entry error. The Committee will be filing an amendment to correctly reflect the election for which this contribution was designated.
2. You have asked the Committee to provide additional information regarding a cash-on-hand adjustment the Committee made in the Report. The Committee made a cash-on-hand adjustment to ensure that its cash-on-hand figure was accurate on its reports. If the Committee learns any additional information regarding the cause of the discrepancy, it will make any necessary amendments to its reports. We hope that this addresses your questions. If you have additional questions, please contact the Committee.

Sincerely,

Megan Brengarth  
Assistant Treasurer  
Keystone America PAC
