After careful review, we recognized that Filing FEC-364779 on 10/01/2008 was short \$109,634.81. This amount is for additional time purchased for the same communication in the same markets as was reported. Due to this inadvertent omission, the following adjustments should be made:

Filing FEC-364779

Subtotal of Itemized IE: \$5,106,581.48 (increase of \$109,634.81)

Calendar YTD per election: \$10,863,877.68

Filing FEC-366321

Subtotal of Itemized IE: \$4,939,584.94 (remains same)

Calendar YTD per election: \$15,803,472.62 (increase of \$109,634.81)

Thank you for your assistance.
