Please note that the PAC is aware that we follow an alternate method of itemizing payroll receipts rather than the suggested manner of disclosing a single total for the reporting period along with the amount deducted per pay period. Because the amounts collected per pay period may change often during the time covered by a single report, we find that reporting individual deductions separately more accurately discloses how the receipts are collected.

We are submitting an Amended July Monthly Report in response to the August 12, 2009 RFAI letter sent by the Commission to the PAC. We corrected the total for Line 29 of the Detailed Summary Page so that it matches the sum of the entries on Schedule B for Line 29. Due to a clerical error our vendor had incorrectly reported an amount on Line 22 of the Detailed Summary Page on the original report.
