Federal Election Commission  
Re:Year End Report  
Identification Number: C00415075

This letter is in response to the commission's letter dated 4/6/2015

We have amended our reports for January through Post General to move correct the YTD totals. These corrections were the result of items that were originally reflected as negative entries on Schedule H3 in January and February and were moved to Line 29.

Thank you,

Shane Patrick Connolly  
Treasurer
