Re: ID# C00039578
Form 99 (submitted electronically 10/16/06)

Dear Ms. Trainer,

This letter responds to your request for additional information dated September 1, 2006, with regard to the Council of Insurance Agents & Brokers Political Action Committee (CouncilPAC) 2006 August monthly report.

You had identified several contributions which CouncilPAC designated for the 2006 Primary that were made after the primary date.

CouncilPAC had intended to make the contributions for the next scheduled election but had inadvertently designated them for the primary election instead of the general election.

Because the contributions were received by the recipient committees in excess of sixty days ago, CouncilPAC has sought, and received, refunds for each of the contributions noted. CouncilPAC will disclose the refunds on its next scheduled disclosure report.

The physical documentation is being sent via Fedex effective today's date.

If you should have any questions about these issues, please contact our PAC counsel, Corey Rubin, at (202) 342-8470.

Sincerely,

Ken A. Crerar
CouncilPAC Treasurer

**Response Due Date:
October 16, 2006**

Identification Number: C00039578

Reference: August Monthly Report (07/01/06-07/31/06)

Dear Mr. Crerar:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule B supporting Line 23 of your report discloses one or more contributions to a candidate(s) for the 2006 Primary election; however, the funds were disbursed after the election date(s) (see attached). Please note that contributions may not be designated for an election which has already occurred unless the funds are to be used to reduce a candidate committee's debts incurred during that election campaign.

If any apparently impermissible contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If the contribution(s) in question should have been designated for debt retirement, you should amend your report to indicate "debt retirement," along with the year of election.

If you have made an impermissible contribution, you must request a refund or provide a written authorization for a redesignation of the contribution pursuant to 11 CFR §110.2(b) within 60 days of the treasurer's receipt.

If the foregoing conditions for redesignations were not met within 60 days of the treasurer's receipt, your committee must obtain a refund.

26039223386

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund or redesignation request sent to the recipient committee(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. 11 CFR §110.1(b)

Although the Commission may take further legal action regarding this impermissible activity, your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

-Schedule B supporting Line 23 of your report discloses contributions to several candidates designated for "P2003" and "G2003." However, it appears that these candidates did not participate in the election indicated. Please amend your report to clarify the election designation for these contributions.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1139.

Hey John-

Hi, Webb here. The PAC guy who just bothered you to no end about a check problem. I hope all is well. Thank you so much for your willingness to cooperate with us in taking care of this check issue. As I said, CouncilPAC contributed \$1000 to Herger for Congress on July 14, 2006. It is check :

As we discussed a refund/redesignation is necessary at this point because the 60 day amendment period has passed. If you could please send a check of the same amount to the address below, made payable to "CouncilPAC"...and as soon as I receive it, I will issue a new check for the amount, and overnight it back to you at your office. I hope that works.

Again, I am extremely sorry for the hassle here, and deeply appreciate your help. Thank you so much.

If you have any questions, please feel free to contact me. And if you would, please e-mail me to let me know the check has been sent, so that I can be on the lookout for it. And I assure you our return will be speedy! Thanks.

Nora,
After reviewing our records, there is no indication that a check was ever received by us from CouncilPAC or that one was ever cashed from a July 2006 fundraiser. Thanks for following up on this and I will be on the lookout for a new check. Thanks for your support of the congressman. He certainly appreciates it.

Webb -

After reviewing our records and talking with Susan from Bogart and Associates (our DC fundraiser), we have no record of having received your check.

I am not sure how to proceed. I guess it would be to see if a check was, indeed, cashed. We searched by check number and all.

Thanks,

Mike
