Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Schedule A of your report discloses a receipt(s) from "SEIU (General Fund)" totaling \$60,000 for the apparent misdeposit of funds originally intended for your connected organization. 2 U.S.C. §441b prohibits the receipt of funds from national banks, corporations, and labor organizations, except that a connected organization may pay for the solicitation or other administrative costs of its separate segregated fund. 11 CFR §114.5(b)(3) Further, you are advised that contributions deposited in a federal account must meet the following conditions: the contributions are designated or expressly solicited for use in connection with federal elections and contributors are informed that their contributions are subject to the limits and prohibitions of the Act. 11 CFR §102.5(a)(1) and (2)

The Commission notes your transfer-out of the misdeposited funds on your 2009 Amended April Monthly Report, received 9/20/09. Although the Commission may take further legal action concerning the apparent misdeposited funds, your prompt action in refunding or transferring out these funds will be taken into consideration.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. Requests for extensions of time in which to respond will not be considered.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
