To Whom It May Concern:

We are in receipt of the commission's letter regarding the letter referenced above.
Please see below for our complete response.

The election in question was a runoff for the 2014 General election. The two expenditures in question were for slightly over \$1000 dollars which is the filing threshold for inside of 20 days before the election. Frankly, we mistakenly thought that these smaller expenditures didn't trigger the 24 hour filing requirement and that the threshold was still at the \$10,000 level. It was an oversight.

Thanks you for the opportunity to respond.
